

Donald Andrew Godfrey

April 1, 1939 ~ November 24, 2020

My deepest condolences to the Godfrey family. Don was a fun loving person who myself and family have life long loving memories together. A true family man, , the family you raised is a perfect example of the man you were. I often expressed over the years that the Godfrey's were my second family, and all you treated me as such. Rest In Peace Daddy Don, a term we alway used when Don Jr. was present over the years on in conversation. God bless you all. Love Frank Lucero
