

Donald Burke Carter

November 20, 1939 ~ November 17, 2023

A friend from beginning to end. Highly talented, and a man of many skills. Donald aptly named one of his many ventures “Mr. Fix It”, and indeed he was. A man who never complained and fought ever so bravely those many years of challenging and declining health. A fabulous storyteller and joker par excellence; from boyhood friend and best bud to the end, we miss you greatly. My condolences to Linda and the entire family.

Don was a wonderful friend to our family. He was a kind,caring and generous guy. Our families shared many great times together. He and Linda were our first close friends when we moved here. Not only was he "Mr. Fix It" but always willing to help. His humor was unsurpassed. We will grieve his loss,each of us in our own way, and treasure the special memories we have of him.

I feel a deep sense of sadness to hear of Don’s passing. We grew up together in Bingham Canyon and shared many adventures; mostly mis adventures. I lived nearly next door to Don’s uncle on Freeman in Bingham. Although I’ve seen him only once in more than 65 years; he was kind enough to come to my mother’s funeral in 2014, he will always remain part of my fond Bingham memories.
