To Marilyn and all the loved ones of cousin Don we extend our deepest condolences and sympathy to you all. I remember fondly stories my grandmother, Elease Cook Goldberg told of how much she loved her nephew Don. My twin brother Robert and I grew up hearing stories about the "other twins" in Utah. Our grandmother adored all of her nieces and her beloved nephew Don. We remember fondly Don and Marilyn's visit to California and the sweet birthday cards he would send us. Erma would keep me posted on all the family news and happy events and she especially got a kick out of her long talks with Don. Your family is being thought about and wished much comfort in the days and weeks to come. Hoping it will ease your sorrow to know that so many are thinking of you and caring about you at this difficult time. Much Love and our deepest sympathy, From all the California cousins

Dearest Marilyn, Donna & Susan & family-- This is your cousin, Cindy. Donny will be truly missed. Marilyn & Donny met my husband , Mark & me about 20 years ago & we enjoyed lunch together at the Beehive House. We loved Donny's great sense of humor & how he loved his family. I am your Aunt Elease's second grand daughter. God bless you all and I send healing sympathy your way along with my prayers to comfort you through this great loss. All my love always, Cindy Miller-Pfaff 7 Bailey Circle Garden Valley, Idaho 83622 Cell: 650-861-1083
