

## Donald Carman Heath

*May 10, 1932 ~ June 1, 2024*

---

Prayers and condolences to Don's family and friends. I had the honor of visiting Don every week for the past two months to pray and bring Holy Communion to his room. He was such a sweet man. Two weeks ago I told him I would be away on vacation but would visit in my return. Unfortunately, he died while I was away. I will continue to add to my prayer list. May he rest in peace.

Although others memories of Don can't begin to lessen your sorrow and the void in your lives his passing has left, perhaps in some small way they can help bridge the time it takes to heal. Don always was so welcoming to me, gracious in sharing his stories and genuinely interested in our discussions. He was truly a gentleman of the old school.
