With deepest sympathies to his family and friends who are grieving the loss of this dear soul. I pray he is with his Lord and Savior and in total peace and ever-lasting joy. So glad I got to meet Donald and that he called me once and asked me to pray for him. Blessings Shirley Aleckson (Christy's Mom)

I can never express just how much Donald meant to all of us. From his car trips to get us in California to drive to Oregon with me, Gen and his Aunt Banana, to singing Madonna and LA Trim, rough times and good times, the best food fight I've ever been in and so many more memories. Donald was an integral part of my life always. Michael, I can never forget all you've done for, shared and been to Donald for so many years. I will always be grateful to you for you've been his light through the years, you were by his side always and at the end. You will always be our family and always be lives by us. My love to all who knew and adored Donald, for knowing Donald meant to love Donald. His smile will always light up the world. May the Gods Bless and keep us all! I love you Donald and I'll see you again when I make it beyond the Veil.

This is one of the hardest things I've ever done. To my dear family, I. So sorry for our lose. Embrace our memories of this special man. One day we'll be able to laugh. One day, I promise you it won't feel like is does now Adam, I know it doesn't feel like it, but from the bottom of my heart I know your dad was so proud of you and worships you, ease in your darkest hours remember that. Michael, you know what you meant to him, all his love went to you. You are his world! I know there is one party happening up there. Thank you everyone who has ever met my incredibly, handsome, huge hearted man. I'm sorry I can't finish this. I can only say I love and miss you immensely!! Tammy be strong with me baby!!

I am so sorry for the lost of Donald. I knew him & babysat for him when he was very little. His grandparents (Longs) & my parents were friends, we all lived in Kodiak... he was such an adorable child, & I cared alot about him. I wish I knew he was so close all these years, I would have reached out. I am in Astoria Ore. Donnie was too young to leave so soon. Again, I am so very sorry for your heartache■
