

Donald "Don" Dean Manning Jr.

May 26, 1961 ~ Oct. 3, 2021

Betty and family, We want you to know that we love you all and that you are in our thoughts and prayers. He truly was a wonderful man who loved all his children. And loved Betty so much. You could see it with all he did for her and the kids and grandkids. We pray that you will feel the comforting arms of our Savior. With all our love Ed and Kathy Riding

Betty and family I hope you will find peace. In his loving memory; of how he showed his wonderful caring way for each and every one. Big Don and Ruby among others. It's their turn to be with him. Till Mary and his family can be together again. Remember him through his lessons, his love, his good and bad times. RIP Don

Betty...(my 2nd mom) I can't even imagine how your feeling. I remember seeing the love you two had for each other when we (Julie and I the whole 2995 south) I remember it was real. I will pray for the Manning/Wilson family that God will comfort all of you in this time. My heart is hurting for you. I love you and all of your babies (big and little) may peace be with you all.
