Dear Raso's, Dylan will remain in the hearts of our family for a very long time. I have very fond memories of him and his brothers growing up. I'm grateful for the opportunity to have had them in my life, they were always funny, supportive and caring. Thank you for blessing our family with them. We are thinking of you and we are all here for you. All the love, Danielle

My thoughts and prayers are with Dylan's family. Although it's been a few years, I have fond memories of him while participating in the SOAR II program at Neighborhood House.

- Mike Harman

My deepest condolences go out to you Karen and Rick. A great young man, I could always count on getting a smile from looking at his social media posts of him and his wonderful little girl. He will be missed by all who were lucky enough to know him.

- Nick Peck

Uncle Rick and Aunt Karin, We are so sorry at the passing of Dylan. We got to meet his daughter one time but through his social media posts we could tell how much he loved her and what a good dad he was. Through the years we didn't have a lot of interaction with Dylan but the times we did, especially the last few years it was really enjoyable being around him. May God bless you all.

My heart is so broken Watching him with my daughter and Gray was always such a joy. He loved them so much & did everything he could for them. Gray was so lucky to have such a loving father. I have so much respect for him & considered him as my son-in-law even though they never did get married. He will be missed so much but don't worry I will make sure Kendall & my Gray will be ok, I am her grandma so she will be continued to be spoiled. Rick & Karen thank you for loving Kendall the way you have you are such wonderful people & I will always be praying for you & your family! God bless you & just remember he is at peace & watching over you!!

- Jill Jensen
