We loved Don, he and his family are part of our family! He enjoyed carrying on the Chinese Tradition they had in their family, like giving red envelopes on Chinese New Year. He took extra ordinary care of his wife’s mother until she passed away . He loved his grandchildren! He was a good friend. We will miss him.

Your father was one of the kindest people I have known. I always enjoyed our talks when I would see him outside. He also was an excellent cook. I had some of my best meals with Renata and Don. I always will remember how he never gave up. He always was out there, shoveling snow after a snowstorm. Always ready for conversation. He was always thinking about his kids and proud of his grandchildren. I am so sorry for the loss of your father. He really was exceptional.

- Lisa Bullock

Our friendship spanned over 40 years. Was Don and Kay, Anthony, Jeremy and Renata's branch president in Chinese Branch 1976-77. They are a true and faithful family in the gospel of Jesus Christ - served wherever and whatever thing asked of them. One of my closest friends and associates. Always admired Don's positive outlook, despite the many challenges he suffered. What a glorious reunion it must have been for Don and Kay after these many years. God bless!

DearAnthony, Jeremy, &Renata, we are so sorry to hear about your Father! I was just thinking about you all on Friday. I was remembering the time your family invited ours to celebrate Chinese New Year at the Chinese ward. We have fond memories of your mom & dad. He was a very wonderful guy and loved to tell us about his beautiful granddaughters when ever we ran onto him. I'm sure that although he and you will miss each other greatly, he is so happy to be with your mom. He was so proud of each of you. Please know that our hearts feel what is is so difficult to put in words! All the best. Dave and Andrea

Hey guys, i hope the pain of your loss lessens as time goes on. May the force be with you. Love, your old playmate, Heather

- Heather Nilson

Donald is a great friend, faithful and very talented and a strong Saturday warrior. He will be greatly missed. The Lord said, "Fear not even unto death; for in this world your joy is not full, but in me your joy is full" (D&C 101:36). Our loved ones may be just as close as the next room, separated only by the doors of death. With that assurance, love life and live it well. Cherish each moment as a blessing from God.

Hello Anthony, Jeremy, and Renata, we are sorry for your loss. We knew your dad for a long time (since late 1995). He shared a lot of interesting and humorous stories with us. He always carried on despite his various health issues. I feel like we are better people for having known and learned from him. We will miss him.

I am sorry for the passing of Donald. He was a great father, son and marriage partner. You know that his mother was my mother's best friend all of my mother's life. Don was a true friend in all of the sense of the word. When he had some crowning moments in his life we tried to be in attendance. Unfortunately, we now live in Dallas, Oregon. With Covid-19 and the bad weather it was impossible to come. We would have liked to pay our last respects to Don and his family. The only way we knew that Don has passed away was we check out the Deseret News Obituaries everyday. To all of family Our Deepest Condolences. The greatest thoughts of our believing in God! WE Will MEET

AGAIN!
