We were blessed to know him and I was so fortunate to work with him at Cummins We made a donation to the church in his honor. May his legacy and blessings leave memories that create peace and happiness long after the pain of this moment subsides. Oh, Sister Pugh and family, we were saddened to hear of President Pugh's passing. I have wonderful memories of serving in the Seattle Temple you and your husband! You were so kind and positive to the workers, while we were trying to be perfect in our service. Yes, I remember President Pugh's delightful personality and I also remember Sister Pugh's personal interest and love which glowed in her countenance as she walked the halls of the temple. Thanks for the sweet Spirit you both brought to us! Love, Jennifer and Mark Stringham

Dear Jane and family, I am sad to learn that the best of men has departed early for missionary service beyond the veil. I am so sorry to hear about Don. He and Lorin hired me in 1981 at Cummins Intermountain and started me on a long prosperous career. When Don moved to the Northwest I stayed with Cummins Intermountain until Lorin sold the business in 2004. I then went to TK Corporate and had the opportunity to once again work with Don, Brandon, Jim and Tim until my retirement. Don was a good man and I know he will be sorely missed by his family and all of

those that had their lives touched by him.

Sister Pugh, Gary and I wanted you to know that you and your family are in our prayers during this challenging time. We were heartbroken, like many others, when Shane shared with us the passing of President Pugh. We will always cherish the day we met both of you in Harrisburg, PA after Shane’s mission. President Pugh was such a great example of our Savior Jesus Christ to all he came in contact with. May you feel the Lord’s tender mercies daily in your life. Gary & Rosalyn Poole

Dear Jane and family! So sorry for your loss! President Pugh was a very kind, relatable and dedicated servant of his Savior and Heavenly Father. It certainly is comforting to know that we will be reunited with our loved ones. I just wanted to share a couple of experiences I had with him. David and I both are forever grateful for President Pugh and yourself, making time from each other and family to officiate our wedding on Christmas Eve 1995. He was so kind and the Spirit was so strong. It will always be with us! The other experience is of Don Pugh - Roger Jones, and fellow Bellevue 1st ward members and their rock and roll band! He was like a big kid with a huge smile on his face. It was a sight to behold. I look forward to seeing him again someday! David and I send our love and appreciation!

Jane... Colleen and I were saddened to learn of Don's passing. We remember how kind you two were to host a concert in your home where our daughter performed. Our son Blake and his family surely respected Don and appreciated the devotion you both have for the church and gospel. Don made a lifelong contribution wherever he served in both business and the church. He was made equal to his tasks because of you. Robert and Colleen Bauman
