So sorry for the families loss. Don was a good man who will be missed by many.

I remember uncle Don fondly from my childhood. I used to go to the mountains and stay with him, my aunt and my cousins for weeks at a time. He tried to expose me to scary movies. Didn't work!!!! I'm so sad to hear of his passing but I find Grace in knowing he is in heaven smiling down on his loved ones

A generous and big heart. We earned our Eagle Scouts together. Don will be missed!

I am extremely saddened at this time for my son's Donny and Matt and their wives and my Grandchildren. The loss of their father has been a difficult time and I pray that their hearts will heal and that they will be able to hold on to the good memories.

What a shock to see this. I have fond memories of Don growing up in Alta Loma. I have enjoyed our friendship over the years. Don, I will miss you! Love to the family and those who knew him.

Dear Don: It has taken some time for me to process your unexpected departure. Though we kept in touch through the years, I shall always hold ear our childhood memories as teens growing up in Ranch Cucamonga. You will always remain dear to me. You touched so many lives with your heartfelt humor and selfless kindness. See you in Valhalla, my friend, until then fare well. My condolences to your family. Soldier for Life, Dave (Rocha)
