

Frank Okhiku

September 28, 1977 ~ May 19, 2025

It is with deep sorrow and humble acceptance of God's will that we announce the passing of our beloved brother, friend, and colleague, Frank Okhiku, who departed this life on May 19, 2025.

Frank was an engineer with specialty in petroleum engineering. A kind-hearted, hardworking, and dedicated man whose presence brought warmth and joy to everyone around him.

Born with a spirit of service and compassion, he consistently put others before himself and left a lasting impression on those fortunate enough to know him. A true professional in his field, Frank approached life with humility, integrity, and a quiet strength that inspired many. His legacy of kindness, resilience, and service will continue to live on in the hearts of those he touched.

He is survived by his loved ones, 2 daughters, a sister and his mum, dad, family members, friends, and colleagues who deeply mourn his passing but hold dear the beautiful memories and lasting impact he made. As we prepare to lay him to rest, we invite all who knew and loved Frank to join us in honoring his memory and celebrating a life well lived.

May his gentle soul rest in perfect peace.
