I’m so sorry to hear about the loss of your father, he was a nice man. I know that this is a hard time for you and hope you can find comfort and peace as you reflect on his life. Sending love your way…

Seems we are having a rash of siblings and cousins passing. Don was a great cousin and will be missed at family reunions. Our heart felt condolences as those who are left do all those things that must be done. Phill & Jan

Memories of family gatherings and visiting with Uncle Don fill my mind. I will miss his quiet mannerisms and heartwarming smile. I appreciate the support he always gave me throughout my life. I remember adventurous river trips with him as our guide, highlights of my youth. One holiday season, he picked me and Britany up from the bus stop in Salt Lake City and drove us to Grandma Leone's house, a kind service. He always took an interest in the things I was doing and came to support my family for baby blessings, mission farewells, wedding receptions and more. I am in awe of the things he accomplished, his many talents and expertise. My thoughts and prayers are with you, Merilyn, Debbie, and Brian, as well as all of our family. I look forward to the day we will be with Uncle Don again.

- Dear Merilyn, Debbie, & Brian,
