We were so sad to hear of the loss of your husband, dad , grandfather and friend. I have so many happy memories from my childhood that include Don. Having sleepovers at your house, eating dinner there many times and the camping trips I went on with you. Don had a calming way about him that always made you feel welcome. Our thoughts and prayers are with you all at this difficult time. I am so grateful for the opportunity I had to know Don. What a great man! Love to you all , Dale and Janel Wallis
