A special person has gone from our family! He was a very kind and special person and added love and kindness to all he met. We will reflect on the time we shared with Kurt. Our faith and prayers are with Kurt's family! We know that he will be missed because of the kindness he shared. You have been our friend. That in itself is a tremendous thing. William Shakespeare said- Farewell !! God knows when we shall meet again. WITH SPECIAL LOVE! John & Margaret Jamison

I am so sorry for your loss. He was such a kind neighbor, and I will always remember seeing him out mowing the lawn and taking such pride in his home. It’s those simple, steady acts of care that made the neighborhood feel warmer and more welcoming. Wishing you comfort and peace during this difficult time.

My condolences to Kurt and his family, sorry to hear of his passing. Memories that go way back. One of the best clutch putters I knew. On to bigger and better things Kurt, RIP

- John Harris

I didn’t know Kurt beyond his time on the golf course, but as a committee member of Utah golf events, I know Kurt loved the game, and he was a wonderful example of how players should handle themselves when playing in golf events. He was respectful of and kind to other players, honored the history of the game, and played by the rules regardless of whether or not anyone else was watching. Kurt was a wonderful man!

- David Terry

Thinking of you all at this very difficult time. May your memories of Kurt find you some peace and happiness as you go forward. God Speed Kurt!

Sending lots of love and prayers I'm so sorry that this has happened so suddenly so sad. I remember when ever I visited Joanne and Kurt Kurt was very nice and always made everything nice and it was very sweet he was a good provider for Joanna and the kids and always thoughtful to include everyone. I know he will be missed by Joannie and the kids but God has one more angel with him today that will watch over everyone from heaven.

RIP my friend. Many many fond memories during our “Monday Nighters” at the Mick! Jamo was one of my all timers and one hell of an athlete! Loved playing with him, with his converted athleticism, turned golf swing! Take care pal AO

Dear Claudia and Don, I was sorry to read this today. My heart goes out to both ■ of you and Kurt's family. The moment I read his name, the days at Valley Bank Fashion Place came back t me and I could hear Claudia saying his name every day. I wish I didn't know how you feel, but I lost my first son Dwayne ten years ago, very suddenly and unexpectedly at age 48. He was so an established golfer. It was way too soon and our kids are not supposed to go before us, right? My thoughts and prayers ■ are with you. God bless you and your family.
