

Donald Lee Adolphson

April 30, 1944 ~ October 9, 2023

We were saddened to hear about the passing of Don Adolphson. It has been many years since we first met Don & Judy Adolphson. They moved next door to us on Joyce Drive on June 7, 1969. The following Saturday Don & Judy joined our family for a hike up Mt. Olympus with the Sertoma Service organization. Our youngest daughter was only 2 years old, so Richard packed her on his back. We planned to stop when we got tired, but our 7 year old son (who had our lunches) and our 2 older daughters kept going as they were keeping up with Don & Judy. We had no other option but to keep going ourselves. It was a great hike AND we all made it to the top. It was our privilege to attend the sealing of the Adolphson's that August in the Salt Lake Temple by Elder Thomas S. Monson. They were such a delightful couple - we have missed them. We hope to see Judy and the family Saturday at the Memorial Celebration this Saturday. With our love, Richard and LaPrele Sumsion
