My sympathy to you Don's family. While I hadn't seen Don in recent yrs, I always had the most great respect and care for him and his wife Rochelle during the time they were members at Quail Lakes Baptist Church. We spent many 6 am Wednesday mornings in prayer w fellow believers. I lost my wife Locky to Alzheimer's disease in 2021. So I understand that difficult time as you do. My best to each of you as you grieve this loss. I know we will see each other again with our Lord. Marty Kjelson'

Think of you at this time and rejoicing knowing Don is with his Lord and Savior, Jesus Christ. You are in our prayers
