we miss you so much Dad! Our hearts are broken but we take comfort knowing you are with our Mother. You are loved so much more than you ever knew! You were a kind and wonderful Dad, grandpa, husband and friend. You will be in our hearts forever ♥■

My Uncle Don was a great man in my life. He always looked after me from the time I was a young boy. I appreciate all the love, experiences, and teaching he provided to me over my life. I will miss him and wish I would have stopped more to see him over the past few years. He will be remembered by me forever. My prayers go out to Jodi and Alta and all of the family. I know Aunt Ellen was there to welcome him on the other side.

Keeping my cousins, Jodi, Alta and the rest of their families in my thoughts Uncle Don was a great story teller. Hoping the younger generations continue to tell his stories. Hugs and love from Washington!

Oh my goodness, I was so surprised to see this. Don just couldn't last without Ellen. They were true love birds. So grateful to know him and grateful that he had two loving daughters who cared for him. Sending love and condolences, from your second cousin!
