Philip was award friend when I was growing up. He was smart, and he was kind. He set a good example for me.

My love and prayers goes out to the whole DeLaMare family. I never knew Phil, but knowing Dave, Rick, Randy, Mike and James, I am sure he was a giant among men both physically and spiritually. I am truly grateful for the example and influence the DeLaMare family has been to me. May the Lord's blessings be with you always!

- David Glade

The DeLaMare family was a very nice family while I was growing up in Sugarhouse. Phil and Debbie were very nice to me when I was over. I am not sure if they completely realize the positive impact that they all had on those around them. Condolences to the family.
