

Donna Deem Beesley

December 2, 1927 ~ October 22, 2022

Our hearts and prayers are with the family. Donna was a wonderful cousin.

What a beautiful, gracious woman! Thank you, Beesley Family, for sharing her with the rest of us. So many have been blessed by her goodness -- including me. I am very grateful for her life.

Dear Beesley Famiy, I read of your mother's passing and I want to send you all my love and deepest sympathy. How difficult it must be for you to have lost both of you parents so close together, but how wonderful for them that neither of them had to be alone for very long. I'm sure they are having a great reunion. My husband, Bruce, is a cousin to your Dad and passed away almost two years ago so I know life can be difficult without one's sweetheart. Bruce and I had such admiration for your parents. They are each a faithful and devoted child of God. I know you each have wonderful memories of them. Please accept my love. I know you are comforted in knowing where your parents are and that all is well with them. Love to all of you, Pat Lake

What a wonderful lady who contributed so much to others during her full and gracious life. She reminded me of my mom, now deceased, also born and raised as a farm girl in Harper Ward. I’m sure their families knew each other. Mom went to work 3 days after high school graduation, as a secretary at DDO and gave a full life to her family and church as Donna has done. Wonderful to reminisce as I read of your beautiful mother and my memories of mine and my Holmes grandparents in Harper Ward. ■
