We saw Sister Packer's obituary online and in the Church News and she certainly lived a beautiful, service-oriented life. We extend our deepest sympathy to your whole family at this time of great sorrow. She was beautiful in every

way and we know you will all be missing her tremendously. Our prayers are with you and your whole family as you walk through these difficult, grief-filled times. May the Holy Ghost bless you with comfort and peace. May the wonderful, joyous memories you have of her life well-lived and the love you always experienced in her presence warm your hearts and calm your pain. With much love and caring, Ercell and Roberta Blain
