

Donna Jean Southwick Beckstead Jones

March 3, 1928 ~ August 30, 2022

Donna was a cousin of mine. She is a year older than my oldest sister Joann. I am Pearl Southwick Alston's daughter. I always thought Donna was stately and beautiful. I remember some family reunions in Lehi and enjoyed seeing Donna there. Our family has lost touch over the years but thankful for Donna and her life and accomplishments. My husband and I will be out of town during the funeral but send our heartfelt condolences to the family in the loss of a wonderful, talented person. With love, Celia Alston Cutler

Dearest Beckstead family, We have loved your mother since our very first meeting before Creed and Kas were married. We feel so blessed to have been in her extended family circle all these years. I remember Tupperware parties, baptisms, birthdays, missions, weddings and other fun gatherings when I lived in or was visiting SLC.. A quite recent photo with her and Roy is even more cherished at this time. What a sweet gorgeous angel you have waiting for you in Heaven! We send love and prayers from the entire Julian Hallows Smith Thompson & Munns Family
