

Gregory Fredrick Kunkel

September 1, 1957 ~ June 28, 2023

Gregory Fredrick Kunkel, of South Jordan, Utah, passed away on June 8, 2023, in his home, surrounded by his loving wife and family. Greg was born September 1, 1957 in Ogden, Utah, to Burton and Beverly Kunkel. Growing up on his family's farm in Willard, Utah, he gained an appreciation for hard work and a love for animals that he carried throughout his life. He graduated from Box Elder High in 1975, where he met his best friend and love of his life, Wendy. Greg and Wendy married on July 15, 1977 in Ogden Utah. Together, they spent their honeymoon, anniversaries, and many family vacations in Yellowstone. Anyone who knew Greg, knew that he loved his dear Wendy. He raved about her to anyone and everyone when given a chance. Together, they created their three M&M's, their children Mike, Matt, and Michelle. Greg was an outdoorsman to the fullest extent. He especially loved hunting, fishing, and camping. Greg was a very accomplished hunter and proudly displayed his mounts and was eager to share his hunting stories. Although Greg could be a rugged outdoorsman, those that knew him best, knew him to be a gentle, kind, and loving family man. His children and grandchildren saw him as their biggest supporter and he enjoyed watching their activities and sporting events. Greg had a great sense of humor and loved to tease those closest to him. He was known for always doing the right thing, even when nobody was watching, and instilled this in his three children. Greg was loved by many, including his family, friends, and coworkers at AMSCO Windows, where he worked for 45 years.

Greg was preceded in death by his parents, Burton and Beverly Kunkel, his brother Rick. Greg is survived by his wife Wendy, sisters Lori and Becky; children: Michael (Alisha), Matthew (Rachael), and Michelle (Adam); grandchildren: Lawson, Ambrea, Vivian, Oakley, Violet, Leo, Olivia, Makenna, Amila, and Declan
