I loved Donna and Dale. They were special people in our lives. We went on several trips with them. We surely enjoyed our Bear Lake Ward Outings with them. I know she really struggled the past few years so I am glad she has gone on to join up with Dale. My condolences go out to the family.

She was a dear friend to my mom. I know it’s hard to see parents go and at the same time it’s a celebration because they get to be with family and friends who preceded them. I always thought Donna was tough and yet tender. She always let me know where she stood on issues. I thought she and Buzz made a great team. What a great legacy they left ! What a lovely lady Donna was❤■■

Dear family, we send our love to you all at the passing of our sweet friend, Donna. We have so many wonderful memories of our years in Rose Park! Raising kids, the neighborhood, the ward, the little league football games, and especially the Holiday Bowl trips to California. Your mom and dad gave us so much love and friendship! Our best to you all at this difficult time. Love always K and K

April, I just heard this morning from Karen about your mom's passing. I am so sorry for your loss. I was able to watch the funeral via Zoom. You and your siblings all gave great tributes to your mom. She was a wonderful person. I loved all the sayings your mom had; my mom said pretty much the same ones when I was growing up. I have such fond memories of my time in Rose Park. I have many memories of playing in your yard. Climbing and sitting in your apple tree is one of the best. Again, I'm sorry for your loss. Ila Summers White
