

Donna Joyce Springer

January 13, 1937 ~ August 3, 2023

My thoughts are with you and your wife, Donna. I pray that Donna will rest in peace.

Donna was a solid friend and gracious hostess. When I moved to Graystone condos, of course, I didn’t know the people here. I found out that she hosted a sewing group where food, conversation, blankets, and friendships were shared. My condolences to her family. You have a lovely relative
