Dear Jerry and family, We just want you to know the joy and memories we have of Marie and you Jerry… even as far back as Dillon Mt. You two were in front yard laughing and having fun. I'll always remember her great sense of humor and her welcoming smile. She has now moved up to our much looking forward to…. next stage of life… eternal bliss in a perfect body with beautiful vibrant flowers and loved ones that are waiting for her with open arms. Our thoughts and prayers are with you all….big hugs and much love to you all.❤■❤■

We were able to watch the services for Dear Marie. It brought back so many special memories of our special cousin. We named our 2nd daughter after her because I love Marie so much. She was a great influence in my life. Teaching my sister Sharon and I how to dance to early Rock and Roll was a high light in my life. She babysat us back then and we loved being with her. She has many of the same endearing qualities of my mother and her aunt, Ailene. I am thankful for her great example. Priceless to know she and my Mom and Dad (who love her so much) and her dear parents, our grandparents and so many beloved others are back together again . Isn't our Savior wonderful for instituting Fathers "Plan of Salvation" in our behalf. We send our love to Jerry and the family. Marie will have a wonderful fun home on high waiting for you all.

Marie was such a special girl. Four of us spent a lot of time together during our high school years. It was Marie, Jackie and Sylvia together. I can still hear her laugh. I will always be grateful for her example and testimony. Happy graduation Marie❤■ Love, LeeAnn
