

Donna Marie Staten

Feb. 17, 1934 ~ Feb. 21, 2022

Such a lovely and sweet lady. Always so friendly and caring and happy. We will miss her bright smile. So happy she is reunited with her sweetheart. Sending prayers for her family. Love the Wilkinson family

Such a sweet and kind person Donna was to us. I always looked forward to seeing her. We talked of your family and I could feel her love for all of you. Remember the treasured moments you shared with her. Love to all of you. Ialien
