

Donna Merrill

August 15, 1931 ~ June 15, 2024

We will really miss her. She was a loving cousin to Ron. She attended many of our special events in our lives and our children's lives. She loved to see pictures of our children and grandchildren! She was always so loving and kind. She was so pretty! We are so grateful to Rod and his family for lovingly watching out for her, helping and caring for her these last few years. She touched so many people's lives with her compassion, service and love! She will be greatly missed!

Donna was so beautiful and gracious. I will always be grateful for her dear friendship with my mother Joy Peterson. It was so fun hearing about their adventures and always keeping up on their favorite sports teams. I am comforted to know she is with her dear husband again as well as looking forward to seeing some games once again with my mom. Love you Donna…. Until we meet again. ■
