To Greg & family and Helen & family, Our hearts have been sad all week since we heard the loss of your mama. She was such a bright spot in our lives. We loved it when she would come to town with Eugene and and. We would have the best visits with Donna and JoAnnn. She was always so good to stay in contact with Joanne and whenever she couldn't get her, she would always call to check and make sure nothing was wrong. The younger sister definitely watched after the older sister. She always took time to acknowledge our children, her great nieces, and nephews, as they grew up, sending them birthday cards with two dollar bills. They all have a great collection of her generosity. I loved how she would just call unexpectedly in the afternoon wanting to talk. She was always in a good mood full of laughter, full of fun and stories. If Donnie wasn't around, she would always say, " where's that handsome hunk nephew of mine." She loved talking to him so much. We got to visit with her the week before she died and enjoyed our conversation so much. She sounded so good and so upbeat. When Greg text to say she was not doing well, we were so surprised. Our hearts are still grieving, but we know she is definitely healed and in a new body in the presence of Jesus, our Lord and Savior. She is most certainly enjoying Eugene, her mom and dad and her sister once again. What a blessing to know she loved the Lord. She will be greatly missed. We love you all so much and thank God, we got to have her as much as we did. We will continue to pray for God to comfort your hearts and give you peace through this healing process. We love you all.■■■
