Howard and Family, We were so saddened to hear about the passing of Doris. Doris was a bright spot in this world especially within our ward and neighborhood. She had a heart of gold and used it to bless all those around her including our family. She was always bringing things over for the boys and spoiling them with her love and attention and she made them feel special. I enjoyed many conversations with her over dinner in the Nite bites group and when running into you both at Costco. She was so much fun to talk to and I enjoyed listening to stories told of her grandkids, and the many adventures taken with Howard and her cruise friends. The world (and I) will be missing one incredible and elect lady and I am thankful for the opportunity I got to meet Doris and all the light she added to my families life. Please know you have our love and prayers with you at this time. Love, Lisa and Chris Sanders (and boys)

Howard and Family, we were saddened to hear about Doris and wanted to share our deepest condolences with you during this time. Doris and Howard have always welcomed us with open arms no matter what it was, being accidently locked out of the house as children, needing a cup of sugar or food as a family, just visiting to chat or a quick hello while getting the mail, you and Doris have always been the best and most supportive neighbors but even better family to us. Please let us know if you need anything at anytime of the day/night, our doors are always open to you & we're always just a step, skip or hop away for you and your family. With much love, Jenise Ivonne, Jessie, Atlas, Elisa & Ismael Sr.

My thoughts are with you today. I am staying at home to leave space for others. We will miss Doris a lot. She was a great lady. We planned so many bridal showers/parties together. She was always such a major helper and so much fun. She was our math mind when the party was over and we had to figure everything up. I'm glad her brain would

still work then. Mine was often to tired. She made those wonderful watermellon cookies that were such a pain. She said she would never make them again and Idon't think she did. They were so good. She was an amazing cook for sure!! We loved her. We are here for you if we can do anything at all. Love, Elaine

Howard, Stacie, Scotty and Andy; I send you my deepest condolences. Words cannot express what Doris meant to me and my kids. She was Everything WONDERFUL. I have one regret that the Ladies of the old Ward didn't get together for Lunch as she mentioned to me many times. I have such tender memories of her and her Kindness. She helped me wall paper my kitchen and we had so much fun. Momma Doris, thank you for being so kind to me and Thank You for my LOVING the Poarch kids. We all LOVE You and will carry you in our Hearts, till we meet again.
