

Doris Darlene Mollerup

March 29, 1942 ~ June 10, 2023

Dear Bill and family, I was deeply saddened to be informed of Darlene's passing and that there were health issues that she and you all had to experience. She was such a fun loving person and shared that so many times with us all. But she also had a deep conviction of the restored gospel and shared that with so many as she served others in her various callings and as a good neighbor. I regret not being able to attend the services but wish you my condolences and hope you will be comforted in your loss. Your friend and former ward member.

My sincere condolences to the mollerup and Davis families. She grew up on the old 800 West and 400 North and I grew up on 800 West and 500 North and we both went to West high School. During that time we became fast friends and dated for a while. I am saddened by her loss. My you always keep her memories close

To the Mollerup and Davis family I was extremely saddened to learn of Darlene's passing. Having grew up close to one another within a block on 900 West, Darlene and I were good friends during Jr. High and the early years of high school. She was such a personality, fun loving, and had a love for the gospel. My condolences to you and your families. May you find peace by holding her memory close.
