

Dorothy Ann Steadman

July 3, 1934 ~ October 22, 2023

Dear family, My condolences to all of you at the passing of Dorothy; to Carmen and you brothers, as well as children and grandchildren. Dorothy has always been a special cousin, our dads being twins. Even though I have not seen Dorothy for years, I remember her gentleness and kindness. She always seemed so peaceful. Faye, Blaine, and I visited with Max and Dorothy when they had their Bed and Breakfast in Wyoming. It was such a nice time. I understood that she lived in Hurricane for a time. I live in St. George and regret not having looked her up and visited at that time. My love and prayers are with all of you as you share happy memories together of your sweet mother. Love, Your cousin, Loraine

- Loraine Lloyd LeFevre

I never met her but feel as if I knew her through you Laurie. You have had such admiration and love for your mother. She taught you to be the wonderful woman, wife, mother, and grandmother that you are. Her love for you shines through you! Another very hard loss but what a blessing she was to you and you to her!
