Donna, Natalie. Jim and the boys, we are so sorry for your loss. Our thoughts and prayers are with you. Sending our love.

We are so very sorry to hear of Dorothy's passing. We feel like they are our family too as our son, Jeff, when he was in high school and he & Alan Jones (Dorothy's nephew) went to the prom and Mary & Dorothy donned their waitress outfits and fixed them a great dinner. He loved to visit them and also sister Donna. Then he married Wendy, who is also a niece, So we were connected. I loved going over there when in town and visiting and sister Jane was a great friend and we sewed and went to quilt stores. We have a few Xmas ornaments also from them and we will always cherish our memories and enjoy our visits in the future. Love to all♥■♥■

Dear Family of Dorothy, Truly a remarkable and joyful woman was Dorothy. From chocolate cake, pansies, laughing, teaching, she had a hand in so many activities to bring happiness to any occasion! May the memories that will be shared bring peace and smiles reminding all of us to try to make someone else's life a little better. This seemed to be the mantra of Dorothy. Although our paths crossed briefly we were honored to help care for her. Sending much love, Suncrest Hospice
