

Dorothy Elaine Koester

February 4, 1933 ~ February 25, 2024

Dear Mick, Wade, Jody and families... We are sorry to hear of Elaine's passing but also know the later years can be full of struggles, so we hope it will all turn out to be for the best if that is possible. We loved Elaine and her cute sense of humor. We feel she is probably making jokes with everyone including my mom and Ruth and other family. We also love everyone in your extended family too. We live in St. George now and it won't be possible for us to attend the funeral but please tell those you can hello for us and that we miss being there. Our hearts are with you all.

We are so sorry for your loss but so grateful that Elaine had such a huge influence on our whole family. She was one of a kind.

Mick, Jody, Wade, and families; I am very sorry to hear of Elaine’s passing. She was a wonderful lady, I have many happy memories of our time at the cabin and bowling on Friday nights. Keep the happy memories alive, it will help lessen the pain of losing her. There are so many on the other side who I am sure are happy to see her smiling face. Love You All

To Mick, Wade and Jody, Oh the memories - the gifts of friendship - the support given by Danny and Elaine when needed - the love we shared, all will be remembered often as I drive into the City and no longer turn to go down Dupont. I'm so thankful for all of these, and for your love and attention given to this very special Mom! De Anna
