

Dorothy Jean Clark Chamberlain

May 3, 1940 ~ March 25, 2022

Our condolences to the family of Dorothy Jean Chamberlain. It is of no surprise that someone who has never meet Dorothy or her immediate family would see the admiration you have for a loved one passed. My she Rest In Peace

Dorothy was a friend of mine. We grew up in the same ward (Nibley Park). She was always kind and a good friend. I've thought about her over the years, even though I haven't seen her for over six decades. She was wonderful. Her husband was a good guy, too. I knew her brothers, Norm and Bob especially well, Charles less so. Good people, a great family.
