

Dorothy Kay Buchanan Greene

December 16, 1930 ~ December 11, 2024

I am so sad to hear of the passing of sweet Kay! She has made lasting impacts on me throughout my life. I have such fond memories of staying with her and Tom as a young girl while my parents were in Europe. We had such a fun time and have laughed for many years reminiscing about the memories of that stay. Later on as a student at the U of U, I pledged the same sorority as Kay and also became the Chapter President, just as she did. During that time she came to several events at the sorority with me. It was another fun bond that we shared! Kay is a class act - a smart lady with a big heart for her family and friends. She loved to volunteer and support the causes that were close to her heart. I will miss my conversations with her! I love you Kay!

Tom and other family members I wish to send my sincere condolences at the loss of your mother. I want you to know if my one or two meetings with her found her to be a delightful person and someone who had great love for her family and friends. Best wishes at this time of your loss

I love Kay Greene. I met Kay on my 12th Birthday when she asked me to babysit her 21/2 month old new baby boy Tommy. From that time on we have shared a very unique friendship. I watched Kay and wanted to grow up to be just like her. Her style and fashion sense was timeless. I helped her in the kitchen when she had dinner parties, by having this experience I learned how to be a gracious hostess and how to prepare and serve lovely meals for my guests. I watched her children when she traveled with Tom, had Mary Kay for most of one summer, and she returned this favor by watching my daughter so I could travel to Europe with my parents. We shared our Testimonies of the Gospel, talked about attending the Temple and Service to others. I will treasure every moment and memory I have with Kay. My heart is breaking I miss her so much. Rest in Peace Dear Kay until we meet again I love you♥■

I'll miss everything about your mother Kay. She was a dear friend to me for many many years. She shared the most interesting things with me about my family in Hawaii before I was even born. There was never a dull moment with Kay, she was so well read, interesting, and so kind and caring. She was truly one of a kind. But what a wonderful reunion with her dear loved ones, especially her Tom. But we will sadly miss her great spirit here on earth. Love to you on your new chapter.

I was one of Mrs. Greene's 3rd grade students. She was a superb teacher. I saw her not long ago when she was on a walk with her friend and my neighbor, Burt Cassity. I let her know of my career and education and thanked her for her influence on me all those years before. I'm sorry for your loss of a remarkable person.

Tom, John and Mary Kay. I was just thinking this morning about your mom and dad and found that your mom had died. What a beautiful woman she was. I was so privileged to know both of your parents. They hold a very special place in my heart. Just know how much I think of the three of you. With sincere love, Karen Matthews
