It took nothing less than a giant inoperative ruptured aneurysm first discovered in 2018 to fell this beautiful strong woman. A friend to all who she knew, she loved long hikes, tea parties and flowers, paying full price, making space, playing hard, teaching sixth graders and working for Community Nursing Services and the elderly. She loved her three perfect children and six perfect grandchildren. She lived her life without guile, shared her big heart with all she knew and loved it when her Dad and husband called her “Pal.”

A private service for family members will be held at the Salt Lake City Cemetery on April 8th. A celebration of Jeanne’s life for all of her family and friends will be held Friday April 9th at the Kesler residence. A program in tribute to Jeanne will begin at 4:00 p.m. followed by a reception.
