Even though it has been a very long time since I saw you Freda, I often have thought about you. You are one of the kindest persons I have had the pleasure to know. I am sorry I didn't know you Doug, rest in peace. Dolores Martinez-Tschirky (Richard's sister)

Dear Aunt Freda and Family, There are no words to express our sincere condolences for the loss of Uncle Doug. Brandon has always appreciated Doug and his welcoming nature and conversations. I (Liz) will NEVER forget all that Doug did for me. Many summers of adding in an extra “daughter” to watch over and put up with and then a pre-wedding bride to put up with. One who was prepping for a move to California with no where to store new furniture other than you and Doug’s front living room. You are both saints. My heart is broken and knows the immense loss that comes from losing a loving father. So my heart goes out to all my sweet cousins. I’m here for all of you. I pray for an extra measure of peace and comfort for all of you as you face the next few days and months and years to come. Look for Doug in the little things and I promise you will feel him there. All my love, Liz Mueller Weilenmann and Family

We are deeply saddened to learn of Doug's passing. We send our love and sympathy to Freda and all the family. How we enjoyed his humor and friendship. I served as a ward clerk with him for years and grew close to him. That's where I learned of his love for Freda, children and his love of the gospel of Jesus Christ. I wish I could have attended the service.
