

Douglas "D. Jay" Strickling

May 28, 1969 ~ May 17, 2021

Doug had a great attitude even in the face of a lot of trial and adversity and I always enjoyed the time I got to spend with him, even if via technology. I know a lot of his optimism came from the love and support he had from his family. It was an honor to get to know him and be involved in his care!

I have become good friends over the past several years with Rebekah. She is such a wonderful lady. She has worried so much about D. Jay --- especially this past year when he has been so sick. I will pray for Rebekah and their cute son as they go through this difficult time and eventually as time passes, I pray they will be comforted knowing D. Jay no longer is suffering. Sending love to both of them---
