There is no way to express the great love we have for this beautiful uncle who held all of Grandfather Smith's family together. What a blessing he was in our lives. We are so thankful for his faithful, loving spirit, his kindness and leadership. We pray continued blessings on Elaine, and all of the Douglas Allan Smith family. Love forever, Vivian and Carlos Adams and family

Sorry to hear of the death of Uncle Doug. He was always so kind and thoughtful. When our oldest daughter Jennifer was in the LDS Hospital in 1994,with leukemia he took time to come visit with us. He also sold us an insurance policy when Bill was going to school at BYU and didn't charge us his fee. And he would phone up after we moved to Ivins to remind me to get information for the Smith Family Newsletter. It was good to touch base with him. My thoughts and prayers are with you, his immediate family. I know you will miss him. We are so blessed to know he has gone on to be with other family members who have passed on. This coming July 18th will be five years since Bill died. I'm sure that Uncle Doug is having a happy reunion with family members who have passed on before him. Love, Emma H. Fife.

We are deeply saddened at the passing of Uncle Doug! He will be greatly missed, my Family looked forward to the Family reunion each year mostly for another opportunity to be with uncle Doug. My brother Mike and myself worked as temple workers at Salt Lake Temple and after our first session we would head over to the sealing office to give Uncle Doug a big hug and tell him how much we loved him. He became like my second father.

Uncle Doug was an incredibly special son of our Heavenly Father. He truly was the glue that held the family close together. He was only 13 years old when I was born. His father, (my grandfather) gave me a father's blessing and gave me the name of "Douglas Smith Myers". I have always appreciated being named after Uncle Doug. Our blessings and prayers go out to Aunt Elaine and all the members of Uncle Doug's family. Indeed, he "has been called home to a Grand Family Reunion." Doug, Mar Lou and family

Uncle Dough was my favorite uncle. He was always kind and fun. As a very young child, he would take me and Karen out for a treat. He was single at the time but mentioned a cute girl he had met named "Roberta." He has been the glue that has kept the family together all these years. For that alone, he should have Celestial glory. Thank you to all the members of his family for sharing him with us. Love, The Neeley's
