A mighty oak has fallen. Doug was a giant of a man in his Christlike treatment of others. He was a devoted disciple of Christ. He served, loved and gave freely to those around him. He always had a smile and a kind word to share. He will be dearly missed.

Doug Kettle was amazing and the memories of his influence in all his undertakings will live on. He was a wonderful leader and example to all with whom he came in contact. My heart goes out to family. I have been blessed to work with his daughters Lori and Kim who have been influenced by their father.

Dear Charlene and family, I was saddened to learn Doug finally succumbed to the monster cancer. I know how difficult it will be for you and the family. How blessed you are to have the wonderful memories of happier times to reflect back on. The gospel assures us of families reuniting and continuing life for eternity and I am so grateful for this wonderful

Dear Kettle family, I just heard today (July 18, 2024) that one of my best friends in my youth passed away. It broke my heart to not be able to give him my condolences and respect at his funeral. We were such good friends. I loved him so much. We were in the same ward for a few years before they split our ward. We did scouts together. We were in priesthood quorum's together. He was an amazing person. I will never be able to thank him enough for his kindness to me in those early years of my life. He definitely was a true disciple of Jesus Christ. I know where he is now. He is one of God's greatest creations. Thank you Doug. I will never forget you.
