I have such Happy Memories of my childhood and the great times I had with Uncle Doug and Aunt Marilyn and all my cousins. Snow mobile ing at there Cabin, going to Bear Lake, horse back riding and just being at their home spending the night. Uncle Doug took films that were so fun to watch . He was a wonderful Uncle and the best husband and father one could ever have. He did so much for everyone and cared deeply for others. Our last lunch with my mom and Aunt Marilyn and Jen will be one of my fondest memories. All my love , Barbie

I served with Brother and Sister Ovard as a Missionary on the island of St. Croix. I looked up to Brother Ovard as a father. Brother Ovard was kind, funny, extremely intelligent and a true representative of Jesus Christ. I will miss his laugh and will forever cherish his testimony of the Gospel of Jesus Christ. Until we meet again my friend.

We are so sorry that we all have a lost asuper guy. Family gatherings will not be the same. I loved Doug's wry since of humor, you never knew what was coming next. Doug's life was well lived. We were lucky to have had him so long. Happy to have called him brother in law¡. Much love to Marilyn and family.

Uncle Doug and Aunt Marilyn were always the life of the party and always so much fun to be around. As a child, I was always in awe of him and his many talents. I loved listening to him play the piano and often tried to pick a song he couldn’t play; my efforts were always in vain as he knew every song from heart! I loved coming to visit him because he always made me feel so loved and welcomed. He was a great man.

Had the pleasure of dealing with Doug in a professional manner. He was an honest and honorable man who ran his business in the same way. I looked forward to our weekly visits, RIP my friend, one of the finest men I have had the pleasure to know. Thoughts and prayers to the entire Ovard family.
