"It is not length of life, but depth of life." I can't even start to think how you are feeling right now. My deepest condolences to you guys. Tia was an amazing person and it's time like these that when we hear her name we shouldn't feel sad, instead we should feel happy that she lived an amazing life and left many wonderful memories for us to rejoice..

I worked with Emma at Salt Lake County Health Department. She was a sweet lady and was always helping where ever she could. So sorry for her family that she was taken so soon from this earth. My prayers go to her family that they may be comforted and know that she is in the arms of our Heavenly Father.

My aunt Emma had a gift and that gift was anyone she touched and talk to always felt better and filled with joy. Aunt Emma loved to go out of her way to help others and it just came naturally, yes she would even give you the shirts of her back (sort of speech) and care for you and yet she was HAPPY even if she didn't have an extra for herself. Emma loved to sing ■and brought joy to our ears. . Love you allways auntie. Love Your neice "Brenda Chavez L.
