

Doyle Preston Royal

January 29, 1919 ~ September 28, 2020

Doyle was my neighbor for many years in Bethesda. He left to live with his son (near Palo Alto) and then moved to Colorado to live with his daughter. He was an active tennis player when he lived in Bethesda and visited here (with his son) a few years before his death. He and his wife were excellent neighbors and I know all the students whose lives he touched remember him with gratitude and fondness. RLB
