Lenore and family. I'm so sorry to hear of the passing of your husband and Dad. We spent many years with you guys on Lambourne Ave. sending ♥️👍👍.

- Carol Berg

Our deepest love and sympathy to you and your family. He was always someone I looked up to, and he was always very gracious with me. He will always be a great man in my eyes.

- Marlene Workman Williford

I really didn't know your brother, but your mom was my dad's sister. Carol was one of my best friends. I went to Dixie College for a year and graduated from there with a two year degree. I then went back to USU and graduated with BS degree, got married two days later and never left Cache Valley. I will be 80 years old next week and not in good health. I am sorry that I won't be at the funeral, but you have my condolences for your loss. I have notified my family Pat and Karen Lyon, we are all spread apart so don't know if any can come. Both Calvert, John, and Rebecca have passed away. All our condolences.

- Jeanenne Lyon Nielsen

So sorry to see such a great man leave us. Our prayers and hearts are with Lenore and her family. We will be watching the zoom services from Boise.

I was a younger brother to Daniel Miles. There was only only about 18 months difference in our ages. Daniel was always an excellent role model for me to follow when I was growing up in our large family in St. George, Utah. When he later played center on the Dixie High basketball team, I decided to try to do the same, and played center

for Dixie High two years later. After I listened to his talk as Valedictorian of Dixie College, I decided to try to do the same, and was the Valedictorian at Dixie College just two years later in 1957. We were both at the University of Utah at the same time working on our Ph.Ds. degrees in Chemistry for a year or two (1964-65). I would like to be at his funeral, but such a trip would be difficult for me.

It is a sad time to loose such an important person in the family and will always be felt. Susan, Lynn, and Paula send their condolences.
