Dr. Steven Charles Hansen

May 21, 1937 ~ July 26, 2023

Dear Hansen Family, When we came to work at Ricks College, Steve was such a kind and welcoming individual who just made life better. Please know how much we loved him and grateful we are for all the different ways he blessed the geology department and the students fortunate enough to be in his classes. Our prayers are with your family as you deal with the loss and also reflect upon his new role in heaven.

- Mark and Vickie Lovell

Dear Sharon and Family, Truly an amazing and honorable gentleman that we were honored to know. His life was one of discovery and laughter. May memories shared bring peace and comfort in the days ahead. With love, Friends at Suncrest Hospice

- Suncrest Hospice

We are so glad we had the opportunity to meet Steve and spend some time with him over the years. He was always so gracious and kind and made us feel as though he was happy to talk with us and share our grandchildren. It was wonderful to see him at the special events of the grandkids' lives and we know that Jason and Alicia appreciated his warmth to their children as well as to themselves. We're so happy you found such happiness with him as your companion in the past many years. Our prayers for comfort and peace - Love, Rich & Michele
