

Kelly Sean Crandall

August 14, 1967 ~ August 31, 2021

Kelly Sean Crandall, of age 54 peacefully passed away on Aug 31st, 2021. After a long battle with Metastatic Lung cancer in his home with his Loving family.

Kelly was born in Provo, UT on Aug. 14th in 1967. He Graduated from Jordan High school in 1985.

He was very proud of his garden that he worked on each summer offering all its bounties to everyone. He also enjoyed the occasional weekend trip to Wendover to play in the casinos where winning big was his goal. During his travels outside of America he met a wonderful woman named Jessabelle, who has enriched his life ever so further. He loved traveling and experiencing things across the world with her. Other things he's enjoyed while growing up with his family were boating, fishing, hunting and working on cars. Also having family get togethers was a great joy of his. He was such an amazing, kind and funny person. He was truly loved by everyone and will be dearly missed. Kelly was married to Jessabelle Crandall on June 24 of 2011. They were married for 10 Beautiful years. Completing each other's strengths and weaknesses. Always wanting to go forth into the world and explore together.

Kelly worked as a pump mechanic for HollyFrontier for 10 years. He enjoyed his work and made some amazing friends. He really enjoyed joking about his experiences with his friends that he made there.

Kelly is survived by his wife Jessabelle Ladag Crandall, his children, Jacob Crandall (Crystal), Zachary Kalakis, Isabella Crandall, and Isaiah Crandall, his father Robin Crandall, stepmother Elaine Crandall, sister Shanna Shelton (Todd), brother Darin Crandall and his grandsons Ronin Crandall and Zaiden Crandall.

Kelly is preceded in death by his amazing and loving mother Linda Rae Franks Crandall.

A viewing will be held in his honor on Wednesday, September 8th at 6:00pm-9:00pm at Larkin Sunset Gardens, 1950 E. Dimple Dell Road. (10600 S.), Sandy, UT 84092.

All memorials and flower arrangements may be sent to Larkin Sunset Gardens.
