

Drew Timpson

January 20, 1933 ~ February 28, 2026

Drew Spencer Timpson was the loving sister of my wife Claudia Spencer Sadler. They were very close in life and will continue that close relationship in death

Dear Timpson Family, I'm sending my love to you at this tender time. Your remarkable mother is a treasure! She has been a great matriarch for your family. The family traditions you have... time at the cabins... family gatherings... my goodness she loved you! I am so grateful that I know her and love her. I hope you will feel peace and joy at her 'graduation'. You are her greatest legacy and she knows how much you love her.

Still missing Dick and Drew in the Valley View 8th Ward even after all these years! They were a lovely couple. I still refer to their former home as the Timpson house. Condolences to all the family. God bless...
