I will always treasure our wonderful memories of Dust from family vacations together (especially lake powell with Dustin leading the group cliff jumping) and having fun with the Voss boys along with many conversations about life throughout the years. Dustin, always kind, caring, bright and compassionate, he was a beautiful man.... I will miss having insightful conversations with him and seeing through his compassionate eyes his care for others and the world around him. He loved deeply and his sense of humor was always enjoyed and appreciated. When he met Mitch, he was engaging and so interested in knowing him. We will always smile when we remember Dustin's free, joyous spirit and love. Much love, Christy and Mitch.

Driggs family, Some of my greatest and most treasured memories are with Dustin and Dan in little league football and jr.jazz. I also found out it was your family who bought me my shoes and cletes for sports growing up all those years. And made sure Dustin snuck them under our Christmas tree or on our porch. I hope you find great comfort in knowing how much light Dustin's friendship brought into my life and he will always be remembered for his tremendous heart and the power 8 sweep. My very deepestcondolences and love. Chad Martin
