Eleanor Barnett

July 4, 1923 ~ February 18, 2019

Our beloved, mother, grandmother and great-grandmother left this mortal existence surrounded by her family February 18, 2019 from natural causes. Eleanor was born in Crafton, Pennsylvania July 4, 1923. Eleanor was one of the first Nursing Diploma graduates in America prior to her serving with the Allied Atlantic Nursing Core in World War II. At the end of the War she married Galen J. Barnett and eventually settled in Glendale, California. The couple moved to Salt Lake City to be near their daughter during the final four years of her life.

Galen and Eleanor served in the United States Army on a hospital ship deployed in the Atlantic Theater during World War II from 1941 to 1944. Following the end of the war, Eleanor, who was always extremely dedicated to providing exceptional health care, worked in nursing and always provided the best possible care to her patients. She unselfishly devoted herself to the care of her family, which extended to friends and neighbors.

Eleanor was preceded in death by her husband Galen John Barnett and her son Galen Kurt Barnett. She is survived by her daughter Karen Feinauer (Richard), her four grandsons, Jonathan Feinauer (Diane), Chad Feinauer (Heather), Benjamin Feinauer (Marianne) and Joshua Feinauer, and her sister Ruth Moser. She has thirteen great-grandchildren.
