Dear family, so sad to see this. I knew Earl back in the days when my dad, Don Boswell owned Midtown Auto Parts. He and dad were great friends. We delivered parts to the Conoco where back in the 70's Earl and his dad John helped my dad restore and paint my mom's 38 Chev coupe, a beautiful car which I still own. So many great memories of Earl, flying the helicopter, him waving us through a roadblock while crusing State and telling us just to go home, it's too late to be out here! He had a great sense of humor and saved me more than once from a traffic ticket. Although I haven't seen him in many, many years I've thought of him often and it always brought a funny story to be told and a smile. I'm pretty sure Earl and dad are having a great time crusin! RIP dear friend.

My dear loving across the street neighbor Earl, and family. I'm going to miss your smiling face, all the cars parked on the road, the sound of vintage car engines, you always asking what you could do to help me, your reassurance to me that "you know we love you Barbara" comment, your hand "Hello" waves, your helping to raise a village with all the kids in the neighborhood, your handyman skills that could fix anything, your support and love to me as a neighbor for over 32 years. I'm really going to miss you. I hope you're flying those heavenly helicopters, riding heavenly cycles, driving heavenly vintage cars, and most of all.. Enjoying your heavenly family. Love you my friend... Miss you.. Barbara

I am sorry to hear about Earls passing. Earl was always a very pleasant person to be around. I ran in to him a few times after he retired while out to lunch with his car buddies. I'm sure he will be missed greatly.

I didn't get to know Earl that well, but all my interactions with him were great. He had a mischievous smile and a good sense of humor. I remember my dad tried to buy his lunch one time at Lorena's. We were told by the owners that if we paid for Earls table, we better be leaving a fat tip, for he always did. Such class. Hope to see you again Earl.

- Brian Dean

What a wonderful guy. Always happy. Always one with a funny story or joke. Quick to serve when help was needed. We interacted often at the police department and I always knew he had my back. Not forgotten and I look forward to seeing him again in the next life. See you when I see you my friend.

Earl was always kind and friendly. He was my first partner on the Vice Squad and a constant figure on the basketball court in the old MHJ. I have many fond memories of him. Condolences to his family. Rest in peace, my friend!

Back in the days, Earl rode motors with my husband, Gary. Gary always considered him a dear friend & mentor & a pleasure to work with! Earl always had a smile & an encouraging word--constantly making the world a better place. May the Lord bless & comfort you all.
